Selection Summary

- **57% of time – Exoplanets**
- **25% of time – Distant Universe**
- **One-quarter again from non-US PIs**
- **32% are new Spitzer PIs!**

Future

- Originally planned a third structured DDT review for April 2018
- Sufficient time will be available (> 3000 hours) for the last 5 months of the mission that we plan a full proposal call
- **Cycle-14: Proposal Deadline 10 April 2018**
- In-person review recommending the final Spitzer programs
